News and Events from Friends of Cape May NWR

Volunteers Needed

Are you looking for a fun volunteer experience this summer? Join our team at the Nature Store. We need a few friendly nature loving folks to staff the Nature Store and welcome visitors to the Cape May National Wildlife Refuge. Shifts are three hours - 9AM to Noon or Noon to 3PM on Saturday and Sunday. Even one shift a month will help us to make the visitor experience a great one. We will train you and give you the support you need. You will meet and greet visitors from all over the country! Join us - contact info@friendsofcapemayrefuge.org for more information.

Free Family Friendly Nature Walks - Every Saturday at 9AM

Friends of Cape May NWR are continuing their fun, free, family-friendly bird walks all summer long at 2-Mile Beach in Wildwood Crest. Look for the Free Bird walk sign where Pacific Avenue turns into Ocean Drive, on the east side of the street. Meet at the Two Mile Beach Unit Visitor

Center, [12001 Ocean Ave.](#) Explore this hidden gem of undeveloped barrier island ocean beach, and learn about the amazing birds with loaner binoculars and a spotting scope. This is a moderate walk for all age groups - families with children are welcome!
